

Terms and Conditions

Cancellation:

Your payment in full is due by 24 hours in advance of our session. I hold a 24 hour cancellation policy, which means you will be charged for your session if you cancel within 24 hours prior to your session, even if you reschedule right away. Anything after 15 minutes late start time is considered a late cancellation and treated as one.

Refunds:

I do not offer refunds on any of my products or services, including deposits or payments for events, retreats, or pilgrimages.

Confidentiality:

All things shared in session are confidential. If I refer you to another practitioner, I must and will obtain your permission to share anything about you with them.

Disclaimer and Rights Reserved:

Sessions and programs with me are not meant to substitute professional medical, financial, psychological or legal advice.

If your inquiry involves the law, finance, or medicine, then you should seek the advice of a licensed or qualified legal, financial, or medical professional

My sessions cannot and do not claim to replace qualified mental health care. In certain jurisdictions, spiritual professionals are required to disclose to you that sessions should be for entertainment purposes only, and if such a law applies to your session because of where you are based, then you are hereby on notice thereof.

I, as a spiritual professional, am bound by a self-imposed code of ethics, which I am happy to discuss with you in a time period that I designate. Such a discussion can take up to 20 minutes and be free of charge; anything beyond that is subject to our agreed session rate.

In booking a session with me, you agree to accept the limits of my scope of practice, and you accept personal responsibility for your mental health and overall wellbeing.

If you have any issues with my methodologies, you are welcome to share feedback, and you are welcome to make requests of me on the basis of your needs, but in booking with me you accept that I hold the final say on what is and is not a part of my work. I reserve the right to terminate a session if your behaviour does not meet my standards of relating (if any abuse or bigoted or derogatory language is used, or if any threats are made.) If I determine that my work is not a good fit for my assessment of your needs, I reserve the right to end our session and retain full payment at my discretion. Thank you for your time in reading this. Payment to me confirms your understanding and agreement with everything outlined here.
